Sir,

X re minimal budgets & levy of addl cess (Ref. up in a L.C on file)

With reference to Government Memorandum No. 29940-1 L&M. Dated 12-12-23, I have the honor to state that for want of rains for the last five years the condition of the ryot in these parts has been reduced to poverty and he finds it very hard to earn at least one meal a day. Inspite of this, the District Board have levied optional land cess at 0-0-3 per rupee under section 78 (b) of the Act and the question of enhancement of tarams due to resettlement is (in) pending. Under these circumstances the Board are expressly of opinion that

P.T.O.

that the additional taxation by this Taluk Board to the already overburdened ryot is not desirable and have resolved to address Government to consider the case of this Taluk specially, and permit the Board to stop the assessment till the conditions of the season improve. A copy of the resolution of the Taluk Board on the subject is enclosed. In these circumstances, I have the honor to request that the matter may be favourably considered.

I have the honor to be,

Sir,

Your most obedient servant,

True translation of Harapanahalli Taluk Board Resolution NO.,12 dated 21st January 1924.

Read:- Again Taluk Board Resolution NO., 16/22-9-23 regarding enhancing the rate of land cess at 3 pies per Rupee of Land Revenue for the general expenses of the Taluk Board;also letter NO., C.R.-2143 dated 8-12-23 of the President District Board Bellary stating that the committee appointed under G.O.NO., 2043 L & M dated 17-9-23 have opined on examination of the finances of all the Local Boards in the District that the receipts are not adequate for their normal expenditure and that therefore additional taxation is necessary,and requesting to report whether the proposal is acceptable to this Taluk Board and if not to submit proposals for curtailing the expenditure to bring the normal receipts and charges to a state of equilibrium.

Also G.O.NO.,2173 L & M dated 3-10-23 sanctioning a compassionate grant of Rs 16,516 for supplementing the resources of the Taluk Board subject to the condition that the Land cess must be enhanced by 3 pies under section 78 B of the Madras Local Boards Act from the next Fasli.

Resolution-NO., 12

The Taluk Board are not in favour of levying additional Land cess on the already overburdened Ryot when in these Taluks his situation being ordinarily poor has become worse owing to failure of crops for the last 4 or 5 years and the resettlement question is impending.The Government aid is sought for the expenditure in excess of the receipts.

Subject Postponement of the levy of the levy of the addl land cess by the Harpanahalle TK Bd.

In para 3 of G.O No 21732 & M dated 3-10-23, a compassionate grant was sanctioned to the Harpanahalli TK Bd on condition that it should levy the additional land cess under section 78(4)(ii) of the Madras L.B. Act 1920 at the rate of 3 pies ~~for~~ from the next fasli. The TK Bd has resolved to postpone the levy of the additional cess on the ground that seasonal conditions are unfavourable. If the TK Bd does not levy the additional cess, it will have a recurring deficit of Rs 2,375 on the basis of its budget estimate for 1923-24 as altered by Govt. The Revenue Deptt may first be consulted as to whether famine conditions in the TK Bd's area (ie Revenue taluks of Harpanahalli and Hadagalli) are acute.

Famine conditions do not exist either in either of the two taluks mentioned in the L.S.G's note on p 1 supra. The season conditions in the Harpanahalli taluk are not good, but they are not such as to warrant taking action under the provisions of the Famine Code.

The file may be returned to L.S.G with the remarks of this department. Generally the year was a bad year in the district.
